## Admissions consultation for entry to The Knights Templar School from September 2020

The Governing Board of The Knights Templar School have issued a consultation on admission arrangements for entry from September 2020. This consultation opened on 19 November 2018 and will close on 6 January 2019.

It is proposed that the School will increase its PAN (published admission number) to 225 (per academic year). It is currently 210.

It is also proposed that there will be a change to rule 7 in the admissions criteria. The revision to the wording is that: *Children living outside the Priority Area, to be selected by random allocation*. Pupils are currently allocated places according to distance from the school.

For information, the Priority Area for the School consists of Baldock, and the Parishes of Ashwell, Bygrave, Caldecote, Clothall, Edworth, Hinxworth, Newnham, Radwell, Rushden, Sandon, Wallington and Weston (the Priority Area referred to in the admission rules above is the same as that used by the County Council).

The consultation has been launched by Hertfordshire County Council, and full details are available [here](#). These details can also be found on the KTS website [here](#).

The public is invited to respond to this consultation. As an Academy, responses should be returned to the school by the following routes: by post (addressed to Clerk of Governors), or email ([admissionsconsultation@ktemplar.herts.sch.uk](mailto:admissionsconsultation@ktemplar.herts.sch.uk))

Responses will be taken into account by the Governing Board when determining the arrangements.
